AgriLabs.-Back Slide Pour-on

Back Side® Plus
(Synergized Formula)

Ready-to-use pour-on insecticide for lactating and non-lactating dairy cattle, beef cattle, calves and sheep of any age, breed, or sex. Kills lice, horn flies, face flies and aids in the control of horse flies, stable flies, house flies, mosquitoes and black flies. Can also be used as a **premise spray** in and around beef, horse, dairy, swine, sheep and poultry premises.

Application Instructions:
Pour along **Back Side** and down face.
Apply 1/2 fl. oz. (15 cc) per 100 lbs. body wt. of animal up to a maximum of 5 fl. oz. for any one animal.

AgriLabs.-Fly Bait

**The Fly Killer with
Sex Appeal!**

STIMUKIL Fly Bait

Contains pheromone sex attractant to lure flies in; feeding synergists then encourage vigorous feeding on the bait until death. Use around the outside of feedlots and livestock barns. Scatter bait at the rate of approximately 1/4 lb. per 500 sq ft of fly feeding area.

Packaging
1 lb. Can
5 lb. Container
