Thursday

November 12, 2015

9:00 a.m. – 3:30 p.m.

OSU Fawcett Center

2400 Olentangy River Road  
Columbus, Ohio 43210

The morning program will focus on key points and background information needed to teach fertilizer certification and answer farmers' questions. The afternoon program will provide relevant updates to enhance fertilizer certification training. Time during the inservice will be included for questions on the topics. The fertilizer certification presentations (with speaker notes) will be available for educators.

Registration is free and includes lunch. Pre-registration required, please sign up at [nutrienteducation.osu.edu](http://nutrienteducation.osu.edu)

The inservice will be available live on Carmen Connect. Please register for the inservice and indicate if you are planning to join us virtually.
