

Trained Servicepersons

This training program will provide an overview of pesticide safety information. Everyone attending the morning session will receive documentation that they have met the requirements of Trained Serviceperson training. A Trained Serviceperson can apply pesticides in Ohio as long as they are working under the supervision of a licensed commercial applicator.

Receive Training for Following Categories

All training dates (except February 23) prepare for the following tests:

- Core
- Ornamental Weed Control (Category 6c)
- Agricultural Weed Control (Category 2c)
- Industrial Vegetation (Category 5) **or** Turfgrass (Category 8)

NEW General Pest (Category 10a) Training

Two day course February 23–February 24

Prepare with subject experts for the category test that includes:

- bed bugs
- cockroaches
- ants
- other inside pests
- rodents

Core training also included

Helpful Notes

The application for a pesticide license requires a separate \$35 fee be paid to the Ohio Department of Agriculture (ODA). You will then receive study materials for core any categories you select.

ODA representatives will be available at the trainings to pay fees and obtain materials on site.

On the day of training, you may register for and take core and any category test.

ODA Pesticide and Fertilizer Department
614-728-6987

If you have any questions regarding disability access, dietary needs, requesting a sign language interpreter, or other accommodations, please call (614) 292-4070 at least two weeks prior to the Pesticide Safety Training class.

There will be a \$25 processing charge for any refunds. No refunds will be given after two weeks following the class. There is a \$30 fee for any returned checks.
