All training dates (except February 20) prepare for the following tests:

- Core
- Ornamental Weed Control (Category 6C)
- Agricultural Weed Control (Category 2C)
- Industrial Vegetation (Category 5) or Turfgrass (Category 8)

If you have any questions regarding disability access, dietary needs, requesting a sign language interpreter, or other accommodations, please call (614) 292-4070 at least two weeks prior to the Pesticide Safety Training class.

There will be a $25 processing charge for any refunds. No refunds will be given after two weeks following the class. There is a $30 fee for any returned checks.

Two day course February 20–February 21
Prepare with subject experts for the category test that includes:

- bed bugs
- cockroaches
- ants
- other structural pests
- rodents

Core training is also included.

The application for a pesticide license requires a separate $35 fee be paid to the Ohio Department of Agriculture (ODA). You will then receive study materials for core and any categories you select. Receiving study materials requires this additional step. Allow 4-8 weeks for delivery.

ODA representatives will be available at the trainings to pay fees and obtain materials on site.

On the day of training, you may register for and take the core and any category test.

ODA Pesticide and Fertilizer Department
614-728-6987
