Trained Servicepersons/Core
This training program provides an overview of pesticide safety information. Attendees of the morning session will receive Trained Serviceperson training documentation. Trained Servicepersons can apply pesticides in Ohio under the supervision of a licensed commercial applicator.

Receive Training for Following Categories
All training dates (except March 19) prepare for the following tests:
- Core
- Ornamental Weed Control (Category 6C)
- Industrial Vegetation (Category 5) or Turfgrass (Category 8)

General Pest (Category 10A) Training
Two day course March 19–March 20
Prepare with subject experts for the category test that includes:
- bed bugs
- cockroaches
- ants
- other structural pests
- rodents
Core training is also included.

Helpful Notes
The application for a pesticide license requires a separate $35 fee to be paid to the Ohio Department of Agriculture (ODA). You will then receive study materials for core and any categories you select. Receiving study materials requires this additional step. Allow 4-8 weeks for delivery.
ODA representatives will be available at the trainings to pay fees and obtain materials on site.
On the day of training, you may register for and take the core and any category test.
