

Online Webinars

The February–May trainings will be held as online webinars.

- Provide a valid participant email address.
- You will receive a link to the webinar the Monday before the meeting.

The August and October locations are TBA. Check our webpage for updates.

Receive Training for Following Categories

All training dates (except March 16) prepare for the following exams:

- Core
- Ornamental Weed Control (Category 6c)
- Industrial Vegetation (Category 5) **or** Turfgrass (Category 8) - Must choose one.

Trained Servicepersons: Unlike in-person courses, online webinars do not qualify as trained serviceperson training.

General Pest (Category 10a) Training

Two day course March 16–March 17

Prepare with subject experts for the category test that includes:

- bed bugs
- cockroaches
- rodents
- other structural pests
- ants

Core training is included in two-day course.

Helpful Notes

The application for a pesticide license requires a separate \$35 fee to be paid to the Ohio Department of Agriculture (ODA). **You will then receive study materials for core and any categories you select.** Receiving study materials requires this additional step. Allow 4-8 weeks for delivery.

Testing is not available online. Contact the ODA to sign up for an exam.

ODA Pesticide and Fertilizer Section 614-728-6987

If you have any questions regarding disability access, dietary needs, requesting a sign language interpreter, or other accommodations, please call 614-292-4070 at least two weeks prior to the Pesticide Safety Training class.

There is a \$25 processing charge per registrant for any cancellation, including Purchase Orders. No-shows must notify the registrar within two weeks of a missed course: reschedule for a 2021 course OR request a refund. No refunds will be issued after more than two weeks from the missed session. There is a \$30 fee for returned checks.
