

## Training Locations

Certain dates will be held in person, if possible. Link to webinar room will be sent two days prior to webinar.

### Online Webinars

February 16  
March 22, 23  
May 18  
October 4

### In-Person (If Possible)

April 20  
August 18

## Receive Training for Following Categories

All training dates (except March 22) prepare for the following exams:

- Core
- Ornamental Weed Control (Category 6c)
- Industrial Vegetation (Category 5) **or** Turfgrass (Category 8) - Must choose one.

**Trained Servicepersons:** Those who attend core in-person will receive a trained serviceperson certificate. Not available online.

## General Pest (Category 10a) Training

Two day course March 22–March 23

Prepare with subject experts for the category test that includes:

- bed bugs
- cockroaches
- rodents
- other structural pests
- ants

Core training is included in the two-day course.

## Helpful Notes

The application for a pesticide license requires a separate \$35 fee to be paid to the Ohio Department of Agriculture (ODA). **You will then receive study materials for core and any categories you select.** Receiving study materials requires this additional step. Allow 4-8 weeks for delivery.

Testing is not available online. Contact the ODA to sign up for an exam.

ODA Pesticide and Fertilizer Section 614-728-6987

*If you have any questions regarding disability access, dietary needs, requesting a sign language interpreter, or other accommodations, please call 614-292-4070 at least two weeks prior to the Pesticide Safety Training class.*

There is a \$25 processing charge per registrant for any cancellation, including Purchase Orders. No-shows must notify the registrar within two weeks of a missed course: reschedule for a 2022 course OR request a refund. No refunds will be issued after more than two weeks from the missed session. There is a \$30 fee for returned checks.
