

## Training Locations

Certain dates will be held in person. For online webinars, the link to webinar room will be sent two days prior to webinar.

<u>Online Webinars</u>	<u>In-Person</u>
February 8	March 15
April 12	May 10
October 11	August 16

## Receive Training for Following Categories

All training dates (except March 22) prepare for the following exams:

- Core
- Ornamental Weed Control (Category 6c)
- Industrial Vegetation (Category 5) or Turfgrass (Category 8) - Must choose one.

**Trained Servicepersons:** Those who attend core in-person will receive a trained serviceperson certificate. Not available online.

## General Pest (Category 10a) Training

In the past, we held live general pest training. In 2023, we hope to launch a self-paced general pest control training.

Call 614-292-4070 for more information about future 10a training.

## Helpful Notes

The application for a pesticide license requires a separate \$35 fee to be paid to the Ohio Department of Agriculture (ODA). You will then receive study materials for core and any categories you select. Receiving study materials requires this additional step. Allow 4-8 weeks for delivery.

Testing is not available online. Contact the ODA to sign up for an exam.

*If you have any questions regarding disability access, dietary needs, requesting a sign language interpreter, or other accommodations, please call 614-292-4070 at least two weeks prior to the Pesticide Safety Training class.*

There is a \$25 processing charge per registrant for any cancellation, including Purchase Orders. No-shows must notify the registrar within two weeks of a missed course: reschedule for a 2022 course OR request a refund. No refunds will be issued after more than two weeks from the missed session. There is a \$30 fee for returned checks.
