Registration form is Online!
http://pested.osu.edu/educatorinservice.html

- We need you to register by December 6 to give us an accurate meal count.
- The inservice is free for Extension Educators as well as Program Coordinators, Assistants, and Specialists involved with private pesticide training. Because of space considerations, this is not a program for Master Gardeners.

Carmen Connect
Educators will have the option to join the inservice virtually through Carmen Connect. If you plan to join us via Carment Connect, please register for the inservice with the above link. There is an option to choose Carmen Connect and we will email the links to you.

Special accommodations:
If you have questions regarding access, wish to request a sign language interpreter, or accommodations for a disability, please contact the Pesticide Safety Education Program at (614) 292-4070 by December 8.
