Pesticide and Fertilizer Recertification

Opportunities are listed for Pesticide and Fertilizer (category 15) recertification meetings in your area. More meetings are listed at:

pested.osu.edu/private_recertification

Pre-registration is required for all meetings, or a late fee may apply. Contact county for registration fees.

Agricultural Fertilizer Certification

Anyone applying fertilizer (other than manure) to more than 50 acres of agricultural production must be certified.

Get Certified

- Attend a 3-hour fertilizer certification training or take the agricultural fertilizer applicator exam
- Available 3-hour fertilizer certification courses are listed on the **BACK** of this page
- Recertify every 3 years

The \$30 fee for your pesticide applicator license is a separate fee from the class registration fee and must be sent to the Ohio Department of Agriculture with the renewal application. ODA now accepts online payment/renewal at
